#### Permission to Participate and Acknowledgment of Risks:

I, \_\_\_\_\_ (camper name) request that I be able to participate in an adventure-based program as well as general camp programs while at Camp Pringle (collectively, the "Camp Program"). I am aware that the activities involved in the Camp Program, include, but are not limited to, hiking, orienteering, canoeing, sailing, windsurfing, mountain biking, arts and crafts, swimming, outdoor cooking, faith discussion, nature study, dances, low ropes team initiative challenges, archery, use of the Camp Pringle slip n' slide, sports and games, as well as other various leadership initiatives, team-building challenges and general camp activities (collectively, the "Activities").

I understand that outdoor, camp and adventure based activities present to the participant a wide variety of risks, hazards and conditions, not all of them easily foreseeable, which could result in any type of physical or emotional injury. These conditions may include, but are not limited to uneven terrain, changeable weather conditions, animal and plant life, and the use of assorted vehicles, gear and equipment including various types of safety gear. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. I understand that the foregoing does not list all of the risks or dangers and that participation in the Activities involves risks and/or dangers which are not foreseen. I also understand that the risks or dangers associated with the Activities involve a risk of injury which could result in serious personal injury, death and/or property loss.

I certify that I have no medical or physical conditions which could interfere with my safety, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.

I am aware that the Camp Program and Camp Pringle is operated by the George Pringle Memorial Camp Society (the "Society").

I am aware that there are risks involved in the Camp Program, and have decided that I am prepared to participate in the Camp Program and the Activities.

**Tubing:** I understand and accept that should I participate in any programs at Camp Pringle that involve the tubing activity, I will be offered an opportunity to engage in *Tubing*. Tubing is an activity which takes place on Shawnigan Lake with a motor boat towing one or two inflated certified tubes with the campers riding in them. As this activity takes place on water and involves a motor boat and fair speeds, and despite all reasonable efforts, there is always a risk of injury or death. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.
