Campers pick their options for what Super Skill they want to try on the first day of camp.

Super Skill activity block 2 • 10:30 a.m.

Lunch • 12:00 p.m.

Campers come together with their cabin group and enjoy a nutritious and delicious meal while connecting about their morning activities.

Cabin rest • 1:00 p.m.

Campers can either take a nap or do quiet activities in their beds at this time.

All-camp or cabin group activity • 2:15 p.m.

On some days at camp the entire camp community comes together to take part in activities like carnival or a theme adventure. Make sure to ask your camper about Waterpalooza when they get home.

Cabin group activity • 3:45 p.m.

Campers will have the opportunity to do activities with their own cabin group. These activities include waterfront, archery, the ropes course, climbing wall, nature or creative programming.

5:00 p.m. • Free time • Cabin groups can either rest or play games in any of the open spaces at camp during free time. These open spaces include the gym and arts and crafts.

6:00 p.m. • Dinner • Most of our dinners are theme meals where our staff, volunteer and campers dress up and experience silliness. Information regarding the theme meals will be sent out before camp.

Evening activities • 7:00 p.m.

Every night at camp, the whole camp community comes together to take part in camper to camper awards and campfire. At campfire we sing songs, see skits and reflect on our time at camp. After campfire older campers will take part in creative programming like master chef.

8:00 – 10:00 p.m. • Bedtime • We have a staggered bedtime at camp based on cabin group age. Our cabin leaders and staff will read stories, sing songs and help get campers to bed.
