## Sock Puppet Plays with Mad Libs

On Monday we posted our first Camp Goodtimes themed Mad Libs so we thought it would be fun to turn those creative, imaginative stories you created into a theatrical masterpiece! Using socks of course. Get your actors casted, script looked over and let's go LIGHTS, CAMERA, ACTION, shhhhhhhhhh

### Materials

- Completed Mad Libs (or your imagination)
- Socks
- Markers
- Optional: buttons, ribbon, yarn, hot glue

### Instructions

1. Let's get our actors and actresses ready to go first
  - a. Find a good looking, not in use sock
  - b. Create your character! We can all draw faces on to your sock by putting your hand all the way to the end of the sock, make a mouth with your hand, and from there draw on to your sock some eyes, a mouth, and whatever else you choose!
  - c. Make as many characters as you please
2. When your actors and actresses are ready to go, it is time to perform!
3. Using your Mad Libs from earlier this week, create your own story from Camp Goodtimes! Or, once the show run has finished for that story, create a new one!
  - a. What can you use as a backdrop to your scene? A blue towel or t-shirt to make a lake? A house plant to make a forest? Dental floss for rock climbing?
4. You can send in your completed performances to [gotcamp@cancer.ca](mailto:gotcamp@cancer.ca) for it to go up on our social media!
