Helpful tips

We recommend you consider the following things when packing for camp:

- Place your camper's name on all belongings for easy identification.
- Pack belongings (not including sleeping bag and pillow) in one backpack or bag.
- Campers will not have access to laundry facilities (except under special circumstances), so please ensure that your camper has enough clothing to last through the entire session.

To contact Camp Rotary directly during the Camp session please call (506) 385-2147 or visit their web at www.camprotary.ca.
