**2022 STAFF
OPPORTUNITIES HANDBOOK**

Applicants to Camp Goodtimes:

Camp Goodtimes provides children and youth affected by cancer and their families with an unforgettable summer camp experience in a medically supervised, safe and supportive environment. We've been friendship-building and memory-making in British Columbia since 1985 and work with nearly 500 campers each summer through our kids, family, and youth camps.

The past two years we have done a combination of virtual programs and modified in-person family programs to support our community during this unusual time. We are excited to be planning to go back to camp for in person overnight kids, youth and family programs. To protect the health, safety and well-being of our campers and camp community remains our top priority. As the covid-19 pandemic continues to evolve, the safety plan has not been finalized. The team is working in collaboration with medical partners to establish plans around screening, testing and capacities. All staff on-site must be fully vaccinated against covid-19.

We are proud to host Camp Goodtimes at two facilities throughout the summer. The first five weeks take place at the UBC Malcolm Knapp Research Forest's stunning Loon Lake Retreat Centre near Maple Ridge, BC and our last two weeks of programming take place at Camp Pringle on the shores of Shawnigan Lake on Vancouver Island.

We believe that time spent at camp allows kids to just be kids, away from their diagnosis. We are proud to provide programming that gives joy, confidence, support, and hope for children with cancer and their families.

Canadian Cancer Society's mission

The Canadian Cancer Society is a national, community-based organization of volunteers whose mission is the eradication of cancer and the enhancement of the quality of life of people living with cancer.

In addition to following the Canadian Cancer Society's program standards, we are proud to work within the guidelines of the following organizations:

The Camp Goodtimes Team

Our staff and volunteer team are comprised of individuals that...

- Are positive role models and leaders for campers.
- Are self-motivated and demonstrate positive values.
- Are excited to work in an environment that is focused on helping children build connections and realize their full potential.
- Demonstrate enthusiasm for working in a team and are willing to support where needed.
- Are flexible and comfortable working in a demanding environment (24 hours a day, six days a week, living in close quarters with many other people).
